PROFESSIONAL SUMMARY

Accounting student who enjoys turning numbers into clear insights for better business decisions. Through over two years of managing a family automotive workshop, I learned how accurate records of sales, expenses, and stock directly affect profit and daily decisions. Currently pursuing Brevet A&B tax certification, with a strong interest in accounting, taxation, and data analytics to help businesses keep reliable financial records and make informed decisions.

EDUCATION

Binus University **Aug 2024 – Present**

- *Bachelor of Accounting - Concentration: Data Analytics | GPA 3.28/4.00*

EXPERIENCE

Accounting System Implementation – MSME Program (MYOB & Odoo) **Oct 2024 – Jan 2025**

Binus University

- Reviewed the business's handwritten records on-site and entered inventory and sales data into MYOB and Odoo
- Trained the owner and staff to record transactions and generate basic financial reports through hands-on practice with the software

General Manager **Jan 2022 – Jul 2024**

Hoki Motor, Pontianak

- Managed daily operations of an automotive workshop with 6 staff (4 mechanics and 2 inventory staff), covering inventory, purchasing, and customer service
- Recorded daily sales and expenses by hand in the workshop's ledger (2–4 pages per day) and monitored its financial performance
- Coordinated purchasing with 21 vendors and built a base of regular returning customers

ORGANIZATIONS

Event Committee – Keluarga Mahasiswa Buddhis Dhamma – BINUS **May 2026 – Jun 2026**

- Tracked payments from 39 participants in Microsoft Excel, ensuring all payments were recorded before the event
- Compared 6 waterpark venues and selected one that fit the group's budget and size

CERTIFICATION & TRAINING

TOEFL **Sep 2026**

- *Central Course | Score: 600 | 2026*

Brevet A&B Tax Certification **In Progress 2026**

- *Tax Academy*

ACCA **In Progress 2026**
